SUMMARY

She talked to : Butler Cty. Health Dept official

Fire Dept Chief

T. Outko - CEPA

PRINCIPAL OF SCHOOL

Township Administrator

Appraisal of community : older neighborhood surrounded by newer subdivisions. Concerns are none to few because the smoke and odor problems are not present.

Principal is concerned about heavy equipment coming on or off-site during school session. Hope for one look to occur during summer. Alleviate his worries by informing him of the min. req's for equipment in the RI.
